### **Crimes and incidents**

Wiltshire Police record crimes and incidents by the National Crime and incident recording standards. Not all incidents that one would consider a crime are necessarily classified as a crime for recording purposes.

NB- The statistics do not account for incidents that police respond to but do not need any follow up (Road traffic incidents, minor incidents of Anti-social behaviour)

### **A sample of Crimes & Occurrences in the month of August 2024 are shown below:**

#### **Motoring related offences**

In August in Wilton, Speed enforcement caught 20 vehicles speeding on the 1<sup>st</sup>, 30 Vehicles on the 12<sup>th</sup> on the Avenue & 3 Vehicles on the 16<sup>th</sup> on South Street. Both locations clearly display a speed limit of 30mph. The fastest vehicles were captured at 52mph, 49mph & 41mph respectively.

Depending on previous convictions and history, 40 drivers will be offered a speed awareness course, 11 drivers will receive a fixed penalty notice and 3 points. 2 drivers will be subject to court recovery.

Proceedings will now be undertaken to ensure the most appropriate outcome for the offenders takes place.

## **Criminal Damage /ASB**

Ongoing partnership working with our Wiltshire Council Housing colleagues, have been focusing on a problematic male in the Churchill Court area of Wilton Town centre. August has seen multiple reports and crime incidents relating to this individual and as such a closure order is being sought which will prevent this individual from accessing the address.
