

Mayor's Report – Civic Events of the Past Month

Over the past month, Wilton has enjoyed a wonderful series of community events that truly showcased the spirit of our town.

27th November – Christmas Lights Switch-On

Our Christmas Lights Switch-On was exceptionally well attended and filled with festive cheer. My sincere thanks go to all the local providers who brought food, drink, and seasonal treats to the Market Square. Particular appreciation goes to the Rotary of Wilton and the Wilton Carnival for serving Glühwein and organising a raffle with an impressive selection of prizes.

The Mayor's stall raised £100 for Seeds4Success through our lucky dip, with £20 of that generously donated by Wilton Carnival. A very big thank you to everyone who contributed and supported this effort.

15th December – Wilton Rotary Christmas Meal

I was delighted to be invited to the Wilton Rotary Christmas Meal, which was a warm and enjoyable evening. We had the pleasure of sharing our table with the Mayor of Salisbury, John Wells, and his wife, and it was a lovely opportunity to strengthen ties between our neighbouring communities.

Looking Ahead – Holocaust Memorial Day, 27th January

Our next significant civic date will be Holocaust Memorial Day on 27th January. We will be hoisting the HMD flag in the Market Square to mark this important day of remembrance. Details and timings will be shared shortly, and I encourage residents to join us in reflection and solidarity.
